

The IIM proposes 2 types of international programs:

MBA : Manager d'Entreprise program (dual title degree in English and in French), in conformity with international standards, accredited by AMBA
Master in Management : per the European standard LMD (Bachelor-Master-PhD)

Application files can be downloaded at the end of program descriptions.

It also prepares doctoral (PhD) candidates within the framework of the Cnam's doctoral school.

Applying

Prospective students can participate in any of the informational meetings about the whole of IIM; its programs, specializations, administrative and academic procedures, etc...

The candidates also can meet and discuss directly with staff and professors of the IIM, who are happy to answer any questions you may have.

Beside the general information about the entirety of IIM, each specific program within the Institute may organize special, additional informational meetings.

e expectations of the potential employers

Events

Every year, the IIM participates in numerous exhibitions to promote its programs at home and abroad, including Access MBA, Professional Evolution, Executive Education, and many more. The Institute also attends conferences on management, and holds, with the Foundation Ostad Elahi, the trophy awarding ceremony for the best educational programs and the best research in business ethics.
