

Curriculum structure MIM

The **Cnam-IIM MIM** is designed around the framework of two orientation weeks, a core curriculum, a major over two years.

Courses are organized over two semesters per year and carry between 2 to 8 credits, depending on their importance and duration, with a full amount of over 60 ECTS credits per year.

The first year includes the six core curriculum courses, an integrative group project and an academic report, with 550 contact hours.

The second year is dedicated to majors, electives and internship, with around 450 contact hours and 900 hours of overall workload.
