Program Calendar

MIM intakes start on the 1st of October of each year. Courses are organized into two semesters per academic year from October to mid February, and from March up to end of June, with a range from 2 to 8 credits for each class, depending on their importance and duration.

The full amount of credits can be over 60 ECTS credits per year.

The Master 1 (first year) must include the eight core curriculum courses, an integrative group project and an academic report, with 460 class hours.

The Master 2 (second year) is dedicated to specializations and professional experience, with around 450 class hours and 420 hours of professional workhours.

Project Management & Business Engineering

International Business & Corporate Development

e-Business & Digital Marketing

Sustainable Development & Quality Management

A professional experience (Internship/Job) from 3 to 6 months. The professional experience will complete the Master curriculum and offer an "action learning" opportunity.

Inter-disciplinary courses, seminars and simulations for all specializations of Master 2 (year 2) provide students with indispensable, up-to-date management principles and tools for the real business environment. These courses include Business Simulation, Career Management and Coaching, and Business French Language.
