

Admissions calendar MIM

Application materials and further information are available for download at <http://mip-ms.cnam.fr>

Applications are accepted year-round and are reviewed promptly upon completion. However, to ensure an accurate and timely process, we would advise international students to begin the admission process at least 4 months prior to October (the intake of MIM programs).

Application Deadlines & Calendar

MIM intakes start on the first Monday of October of each year:

	International Students living outside France	Students in France/UE*	Students applying for scholarship**
Reception of applications	July 1st	September 15th	December 1st of previous year
Admission decisions	July 30th	September 25th	January 10th

* For those living within France/DOM-TOM or those do not require a visa to France

** For those apply for scholarships for Foreigners in France (Egide, Bourse BGF, Bourse Ile-de-France) or those who apply for French financial support (Fongecif, Assedic...)

Students who will enter the last year in Engineering or Business School (Ecole d'Ingénieur ou Ecole de Commerce) could apply directly to the second year for the diploma of Master in Management.
